John Hancock Esq.r

London 18th March 1766.

Sir

Copy.

This day the Merchants of London trading to North America proceeded in a Body from the Kings Arms Tavern in Cornhill to the House of Lords to attend his Majesty, who we have the very great Satisfaction to inform You has given his Royall Assent to the bill for repealing the Stamp act, this Event will we doubt not give You and every N.o American that Sincere Joy which we feel, and on this occation we most heartilly congratulate You, and we hope that a Lasting Union will result from it between the Colonys and this Country

We are allowed to send only this Single Letter by this Vessell which is hired and dispatched on purpose by the N.o American Merch.ts in order to carry the earliest advices of this Repeal

As to Bussiness we must beg leave to refer You to our two foregoing Letters of the 13th & 15 Instant & Capt. Botch & Capt. Shand and if on receipt hereof You can purchase any Bone we desire You'll do it and Ship it immediatly, even if you give £250 Stg.g P Ton for it — but in that case it ought to arrive here before the Greenland Ships do the Bone received p Scott we have Sold at £300 P Ton, this Night the Merch.ts spend together to celebrate the Repeal of the Stamp act — We shall soon write You again — and remain with sincere regard Dear Sir

Your most affect.e hble Serv.ts
